BICENTENNIAL ISSUE

DEDICATION

The Senior Class of 1976 proudly dedicates the Lone Star Annual to Mrs. Carrie Lou Abbott and Mrs. Angeleen West.

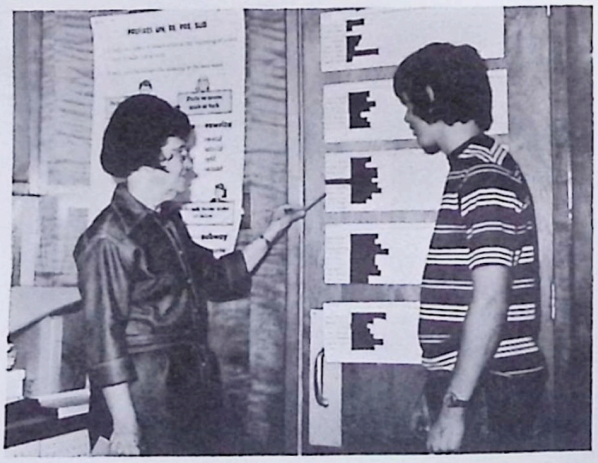
MRS. ANGELEEN WEST

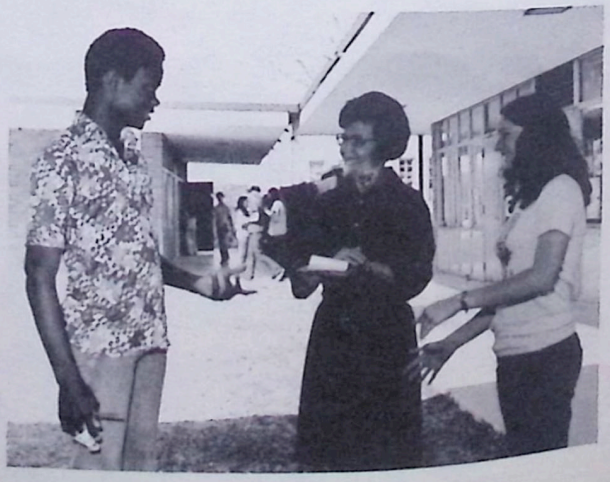
Many students throughout the years have looked back with respect and fondness on their classroom experiences with Mrs. West. She was a stern, yet patient and understanding teacher. She believed that quality education was within the grasp of all students. She worked hard to see that all students at TSD received a chance at their share of that education.

Mrs. West, throughout the years she has been with us, has allowed us to enjoy her musical talents and knowledge. The choir she organized developed into an outstanding one. Its performances are still remembered nostalgically by those privileged to attend them.

As a supervising teacher during the past five years, Mrs. West has helped many Junior High School students to develop their potential and to move on into the world of young adults.

We wish Mrs. West the best of everything in her future endeavors.





Mrs. Carrie Abbott has literally spent her life at the Texas School for the Deaf. Both of her parents were deaf and both taught here before her. As a little girl she learned sign language before she learned to talk.

Mrs. Abbott has devoted more than forty years of her own life to teaching the deaf and in supervising other teachers of the deaf. She is particularly patient and understanding where children of lesser capabilities are involved. Mrs. Abbott has taken not only an academic interest in hundreds of her students, but a personal interest as well. She served as Girl Scout coordinator at TSD for several years.

Both Mrs. Abbott and her husband have spent countless hours working with the deaf in their church. Many a child has been led to the right path by the Abbotts' patient understanding.

Mrs. Abbott served as interpreter for all school functions for many, many years. Her skill and grace in that capacity are well known and admired by hearing and deaf alike.

One of the main attributes of Carrie Abbott is that she is completely unselfish. If she can be of help to anyone, she gladly puts her own wants and needs aside.

It is with much regret, but also with much love and appreciation that we say "Goodbye" and "Good luck" to Carrie Abbott.

To The Class of 1976:

This is a proud and happy year for you. Each of you has come a long way, and can look back with memories of past achievements and experiences. But one memory will no doubt stand above all others--your senior year. This is one of the most important years in the life of a young adult, for it is the year when you suddenly begin to realize that you will soon be leaving the security of the school to meet the challenge of a complex society. You eagerly and confidently look forward to that experience, to the time when you become independent and a fully contributing member of that complex society.

The Texas School for the Deaf looks forward to your experience as well, for only through your successes can we measure our success as a school. We are very proud of each of you, and on behalf of the entire school, I congratulate you and wish you continued success and happiness. We will miss you.

Sincerely,

Virgil E. Flathouse

To the Class of 1976:

To all of you, Congratulations! Graduation has now become a reality. You have looked forward to this day for a long time and I am sure you have a sense of satisfaction in knowing that you have attained it.

As you leave school you will find that the completion of high school is really the beginning of your life as an adult. The success you have in the future will be the result of the way you utilize your education.

We wish for each of you the best of everything you attempt to do and be sure to keep us informed of your accomplishments.

Sincerely,

In Memoriam

SHARON PATRONELLA

Friend
Kind and lovely
Studies, drama, sports
Our ray of sunshine
Sharon

by Irma Cardenas

Sharon Patronella first came to T.S.D. in the fall of 1972. Those who knew her then remember her as a tiny, shy girl of fourteen. Always an eager student, Sharon was as quick to make many friends as she was to achieve success in her classes.

Over the years, she blossomed into a delicate flower, but never too delicate to work long hard hours for a L.L.S. play or a volleyball season. Sharon will be remembered by all for her humility, friendliness, and perhaps most of all, her enthusiastic spirit—a spirit that spread to all who knew her.
